Dear Parents/Guardian

Our warmest greetings to you from Loyang Primary School. We hope that you have had a restful and meaningful break with your family over the school holidays. We take great pleasure in welcoming all our pupils back to school and would like to extend our welcome to all our Primary One pupils as well as new pupils in other levels.

I am excited to be given the role to lead Loyang Primary School. The school has done well in many areas under the leadership of Mrs Chin Shin Wea. The school has been awarded People Developer Standard, CHERISH Gold Award, School Green Audit Lotus Award and Sustained Achievement Award for Sports. I would like to thank Mrs Chin for her commitment to the school.

### **Safety and Security**

The safety and security of your child is of paramount importance to us and we appeal to all visitors to the school to report to the security guard post to obtain passes.

### **Temperature Taking Exercise on Thursday 7 Jan & Bringing Thermometers**

7 January is the designated day for conducting a temperature taking exercise.

All P1 pupils will be issued with a personal Oral Digital Thermometer by their Form Teacher during the exercise.

We would like to seek your assistance in ensuring that all P2 – P6 child brings his/her personal Oral Digital Thermometer to school every day.

Together, we can conduct a successful temperature-taking exercise as part of our continuing efforts to provide a healthy and safe environment for all in our school.

### Communication

All parents/guardians are encouraged to use the LPS Student Handbook should you wish to communicate with the teachers. To enhance communication and establish a closer working relationship, all Form Teachers will be issuing personal letters to parents/guardians this week.

You are also welcome to give us feedback via the school email (loyang\_ps@moe.edu.sg) or contact us at 65821449.

### P1 Parents on Dismissal and Recess:

For the first three days, your child will be brought down from class to the canteen at 1pm every day for dismissal. This will allow the school to settle the pupils who go on the school bus first before the rest of the pupils are dismissed. Parents who are picking up their child are to wait in the canteen.

For the next one month, Primary 1 Pupils will be led to the respective gates so that parents can pick up their child from their pre-arranged pick up points. A letter will be issued by the Form Teachers for you to indicate your preferred pick-up point.

P1 parents may 'observe' their child from a distance in the canteen during Recess which begins at 9.30am for P1. They may do this only for the first 3 days ie Monday to Wednesday.

Please be rest assured as they will be well taken care of by their Primary 5 buddies. We would like our pupils to learn to be independent.

### CCA, Remedial Lessons, Supplementary Lessons

CCAs will begin in Week 2. Remedial and supplementary lessons will begin in February. More information will be given to you in due course.

We look forward to working with you. Together, we can mould the best in every child and position LPS to be a school with pride in providing a holistic education for all our pupils.

May I take this opportunity to wish you and your family a very blessed and Happy New Year.
